THE PHILIPPINE QUESTION.

Another Strong Statement From General Wheeler of Actual Conditions in the Islands.

WASHINGTON, Dec. 2.—General Joe Wheeler in a personal letter received here, dated at Angeles, Luzon, says:

"There are more than 20 different tribes in this island and very few of them would submit to Aguinaldo's rule. Aguinaldo and his generals would like to govern, because it would give them great power and many of his soldiers like war because for the first time in their lives they have authority to carry a gun.

"They live by taking what they want from the people. Many of them are robbers who rob defenseless people of their money and sometimes murder them. If we should withdraw there would be warfare and anarchy in the island and the well-to-do would get some strong government to come and take control.

"Aguinaldo publishes a paper which is filled with expressions from people in the United States who are called anti-imperialists and I think were it not for these expressions the insurrection would be closed."

TAYLOR'S ADVANCE GUARD.

Are Supposed to Know Why they are at Frankfort.

KRANKFORT, Ky., Dec. 2.—The first delegation of Taylor men who are expected here to watch the works of the board of election commissioners arrived today. There were about 60 of them.

They say simply that they desire to see that Taylor is "not robbed of his rights." All of them, however, seem to have determined in advance just what are "Taylor's rights" and anything short of their estimate is likely to be resented.

A SURE CURE FOR COUGH.
 Twenty-five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by Charles Rogers.

STOCKHOLDERS' MEETING.

Notice is hereby given that the annual meeting of the stockholders of the Columbia River Packers association will be held at the principal office of the association in the City of Astoria, Clatsop County, Oregon, on Monday, the 11th day of December, at the hour of 11 o'clock a. m. for the purpose of electing directors and for the transaction of such other business as may properly come before the meeting. By order of the board of directors. GEORGE H. GEORGE, Sec'y. Astoria, December 1, 1899.

Election time comes on apace and public interest still keeps at a low ebb. Most of the candidates themselves appear unconcerned. Although no one has a word to say against the candidates on the democratic or non-partisan ticket, a general republican victory is expected.

My son has been troubled for years with chronic diarrhoea. Sometime ago I persuaded him to take some of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using two bottles of the Remedy, he was cured. I give this testimonial hoping some one similarly afflicted may read it and be benefited.—THOMAS C. BOWER, Ginoes, O. For sale by Charles Rogers.

THE MODERN MOTHER.

Has found that her little ones are improved more by the pleasant Syrup of Figs, when in need of the laxative effect of a gentle remedy, than by any other. Children enjoy it and it benefits them. The true remedy, Syrup of Figs, is manufactured by the California Fig Syrup Co. only.
